CIRCULAR LETTER NO. 3

Hospital Ration Charges for Patients - - - - - SECTION I
Medicine Charges for Patients - - - - - SECTION II

SECTION I. 1. Circular Letter No. 32, Off Ch Surg, subject: "Commutation of Rations, Subsistence Charges and Medicine Charges for Patients", 11 March 1944, is rescinded.

2. Reference is made to par 3, Sec II, Circular No. 125, Hq ETOUSA 27 December 1944, which is reproduced for your information and guidance.

"3. Discontinuance of Subsistence Charge for Patients Sick in Hospital.

a. Effective upon the receipt hereof, the heretofore prescribed subsistence charge of \$.20 per day (in addition to reimbursement for the cost of hospital rations), currently being collected by US Army hospitals in the United Kingdom from officer and warrant officer patients, and other patients having officer status, will be discontinued.

b. Money collected from officer patients, other than US Army commissioned and warrant officer patients (who will cause appropriate deductions to be made on their individual pay vouchers), and other patients having officer status, as reimbursement to the government for the cost of hospital rations, will not be placed in the hospital fund. It will be deposited with the local finance officer on QMC Form No. 389, "Report of Sales".

(AG 123 x 323.3 EdGA)"

3. The Hospital Ration is prescribed for patients in fixed US Army hospitals. It is not authorized for general dispensaries or for personnel operating hospital; Field Ration, Type "A" being issued therefor. The cost of the hospital ration is the same as the field ration for those not authorized subsistence at government expense. The hospital ration and field ration are issued to hospitals by Class I depots. Hospitals will accordingly submit two ration returns on OCQM Form No. 4, Hq SOS, ETOUSA; one for Field Ration Type "A" for hospital personnel, and one for Hospital Rations for patients, each plainly marked as such.
